## WOW Wednesdays!

---

On Wednesdays, students will have a special opportunity to participate in our school's WOW Wednesday program.

Classes will have weekly rotations based on grade level and will spend their time in the media center participating in various S.T.E.A.M. (Science, Technology, Engineering, Art, and Math) activities. We are pleased to offer this experience to our students which allows them to explore, create, and bolster their critical thinking skills!

---

## Scheduling

---

Our school participates in a fixed, 6-day schedule for related arts. Your student will visit the media center with his/her class once during every related arts rotation to check out materials and participate in a lesson on subjects including English Language Arts, library materials, and technology.

---

## Check Out Policies
