# Field of Dreams Baseball

**Aberdeen Park  
1401 Shetland Drive  
St Johns, FL 32259**

**[www.FODBaseball.com](http://www.FODBaseball.com)**

**Field of Dreams** is a specially designed turf baseball field that will allow children with mentally or physically disabilities living in or near St. Johns County, Florida the opportunity to play baseball, to wear a uniform and play as a member of a team. Field of Dreams is a place where all our area's exceptional kids can meet on the field and play ball. What child does not want to hear the cheer of the crowd? What child does not want to receive a trophy? And what child does not want the opportunity to play America's favorite sport? At the Field of Dreams they will and can!

## Who Can Play?

Any child with special needs from ages 5 to 18 or up to age 21 if still in high school.

## Registration is Now Open!!!

Registration is **FREE** and will include a full uniform courtesy our sponsors. Registration is currently open and will remain open the entire season. Please visit the Field of Dreams Website at [fodbaseball.com](http://fodbaseball.com) to register. Field of Dreams 2016 Opening Day will be Saturday, February 6th. Games will be held each Saturday until April 21<sup>st</sup> (except March 19 and 26 for Spring Break). To have a uniform for Opening Day, you must register by January 8<sup>th</sup>. We accept new registrations through-out the season, up to the last game.

## Volunteer Opportunities

Field of Dreams is always thankful to our volunteers and is in need of additional support to run the league this season and next. Please contact us via our website if you have the desire and ability to help us provide a quality program.

## Donations & Sponsors

Although other enhancements are in progress, we would like to start phase II construction in which a turf outfield replaces the natural grass. This enhancement will allow for additional special needs sports to be played at the Field of Dreams. We are actively seeking corporate and individual sponsors to help us complete the field to help more kids & families.
