

AFTER SCHOOL COOKING CLASS

Learn to Cook While Having Fun!

Join us for a culinary adventure! Junior chefs will learn the skills required to follow basic and complex recipes, developing personal confidence, growth and creativity.

What We Offer

- Hands on, creative cooking lessons designed for beginner to advanced levels
- Learn new cooking and baking skills
- Explore flavors from around the world
- Have FUN, while making new friends

**Chefs
Maria &
Bethany**

About Us

Create a Cook is dedicated to cooking instruction that promotes self-confidence and creativity. Our lessons are interactive and educational inspiring students to 'think like a chef' while learning basic to advanced culinary techniques and discovering a love of cooking.
